Invitation to Caverion's Q3 report news conference and Sustainability Morning

Caverion has the pleasure to invite analysts, institutional investors and media to its Q3 report news conference and Sustainability Morning. The joint event will take place on Thursday, 5 November 2020, at 10.00 a.m. Finnish time (EET) at Hotel Kämp, Kluuvikatu 2, 2nd floor, Helsinki, Finland.

"The future of built environments is smart and sustainable. Increasing awareness of sustainability is supported by both EU-driven regulations and national legislation setting higher targets and actions for energy efficiency and carbon-neutrality. A significant amount of the Covid-19 related economic stimulus packages is also directed towards sustainable investments enabling smart buildings and cities and promoting a sustainable recovery," says Ari Lehtoranta, President and CEO of Caverion Corporation.

"Sustainability and digitalisation are the key themes in our strategy. This year we have defined our own sustainability targets. We will present the results of this work externally in our Sustainability Morning on 5 November 2020," Mr. Lehtoranta continues.
